

## **What's at Stake for Current Year (FY17) Grants Funding:**

*Combined State and Federal funds in the amount of \$1,006,450 for arts services grants to 180 organizations.*

*Loss of State general fund puts all funding at risk as a one-to-one match is required.*

***State general funds of \$529,650 granted in arts services contracts awarded to 97 organizations.***

*The average grant using State funds is \$5,460.*

***Reduction or elimination of arts services contracts using State general fund will impact the communities of:***

Raton	Mesilla
Los Alamos	Gallup
Tucumcari	Dixon
Española	Albuquerque
Farmington	Las Vegas
Placitas	Rio Rancho
Galisteo	Santa Fe
El Prado	Questa
Rancho de Taos	Taos
Mountainair	Socorro
Truth or Consequences	

- *88 of the impacted organizations are non-profits working for the public benefit. 46 or 52% of these organizations have revenues under \$100,000. 75% of them have revenues under \$300,000. Even a small reduction in funding will significantly affect them.*
- *16 of the impacted organizations provide dedicated programs for children and youth. The majority of the other organizations provide youth programming in addition to their programming for adults.*
- *6 of these organizations have a specific social service function including serving women war veterans from Iraq and Afghanistan, military families through the Museum of the American Military Family, and New Mexicans with mental illness.*
- *5 of these organizations are local arts councils and 4 of the councils are the primary arts presenter in their rural community.*
