NARRATIVE

For more information or to review the Call for Proposals visit: <https://nmarts.org/all-programs/arts-the-military/>

1. Does your proposed project...? (Pick One)

create new or additional opportunities for military audiences to meaningfully engage with the arts.

build capacity for your organization to offer arts programs in the future for military audiences.

2. Organizational mission statement and a brief summary of past or current organizational activities.

7. List key project artists or staff with their relevant experience and roles in relation to the proposed project. List any community partners? What are their roles?

8. Provide a project budget showing how New Mexico Arts funds will be used and any other project funding (*please review eligible listed in the Call for Proposals*).

9. How will you measure the success of your project?

Is there anything else we should know when considering your application?
