- A. Upon the Effective Date, the Grantee shall submit to the Department a comprehensive procurement plan and expenditure plan, detailing a Project timeline with milestones, required procurements, and identifying expected expenditures per milestone (collectively, “**Project Budget**”). The Department shall review and approve the Project Budget by approving a Notice of Department’s Obligation (“**Notice of Obligation**”), in accordance with the Project Description, a sample of which is attached hereto as **Exhibit B** and incorporated herein by reference. After receipt of approved Notice of Obligation, the Grantee may be reimbursed for allowable costs up to the Adjusted Appropriation Amount. This Agreement and any reimbursements up to the Adjusted Appropriation Amount are expressly conditioned upon the following:

  - d. Grantee's submittal of timely Requests for Payment and supporting documentation in accordance with the procedures set forth in this Agreement; and
  - e. In the event capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:
    - i. must be approved by the applicable oversight entity (if any) in accordance with §§ 13-6-2, 13-6-2.1, and 13-6-3; or
    - ii. If no oversight entity is required to approve the transaction, the Department of Finance and Administration's Infrastructure Planning Development Division (IPDD) must approve it as complying with the law.

Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(e) (i) or (ii) herein, the Department may, in its sole and absolute discretion, unless inconsistent with State Board of Finance imposed conditions, reimburse Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, limited to planning and design expenditures; and

  - d. Department may, in its sole and absolute discretion, issue a Notice of Obligation for the particular amount of a Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is incorporated herein and attached hereto as **Exhibit B**.
- D. Grantee shall provide all necessary qualified personnel, materials, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.
- E. Prior to entering into this Agreement, the Department conducted a risk assessment on the Grantee and a project readiness review for the Project. In accordance with State Model Accounting Practices, FIN 9.2, if the Department determines that the expenditure of Project funds by the Grantee requires special

conditions, those conditions are identified and listed in **Exhibit C**, which is attached and incorporated by reference. The Parties agree that, to the extent the Department, in its sole and absolute discretion, determines additional special conditions are necessary or that existing special conditions are no longer required, it may update **Exhibit C** from time to time without the need for a formal amendment of this Agreement.

- d. At the Department's discretion, all reports required hereunder may be directed to and facilitated through an electronic database.

- P.
